

2018-2019 School Year

Dear Parents/Guardians:

Did you know that your son or daughter can get **Health Care** at school? Vashon Island High School has a School-based Health Center (SBHC) that is located in the building and its services are available to all McMurray Middle School students. The SBHC is operated by Neighborcare Health, a community health center serving more than 70,000 people in Seattle and Vashon Island each year.

The SBHC offers a child friendly setting and all the services of a family doctor. The SBHC provides appointments before, during, and after school and offers the following services :

- Evaluation and treatment of common health problems
- Immunizations, lab tests, and medication management
- Sports physicals
- Reproductive health care
- Mental, social, and emotional health care (*offered onsite at Vashon Island High and Chautauqua Elementary schools*)
- Oral health care, including screening, exams, and treatment (*offered onsite at Vashon Island High, McMurray Middle, and Chautauqua Elementary schools*)
- Preventive health care, including tobacco, alcohol, and other drug use prevention education
- Health insurance eligibility and enrollment assistance
- Referrals to other health care providers as needed

To use this service, please complete and sign the following forms in this packet:

- | |
|---|
| <ul style="list-style-type: none"><input type="checkbox"/> Health History Form (pg. 2)<input type="checkbox"/> Registration Form (pg. 3)<input type="checkbox"/> Consent Form (pg. 4)<input type="checkbox"/> Dental Screening Consent Form (pg. 5) (Optional) |
|---|

Forms can be returned with the school packet or mailed to the school separately. They can also be dropped off in person at the SBHC or the school's main office.

Neighborcare Health is committed to serving all patients regardless of ability to pay. The Vashon Island High School SBHC receives support from the Best Starts for Kids Levy, but this funding does not fully cover the program's operating costs; therefore the SBHC bills insurance when appropriate. Please complete the insurance section of the registration form to ensure that we have your most current insurance information on file.

If you do not have health insurance, the SBHC can help you enroll in an insurance plan. Please check the "No Insurance" box on the registration form and a SBHC staff member will follow-up with you. You can also call the SBHC directly to request health insurance enrollment assistance.

McMurray Middle School is fortunate to have access to the SBHC and I hope you will take advantage of this resource for your child. If you would like more information or need assistance please call the Vashon Island High School SBHC at 206-548-7550.

Sincerely,
Greg Allison
Principal
