2027 Corporate Sponsorship Opportunities

Connect your company with Neighborcare Health's community while supporting access to affordable, high-quality health care. Our clinics serve 60,000+ patients each year, and our donor newsletter reaches 12,000+ people. Sponsorship offers opportunities to build brand visibility, engage with our community and demonstrate your commitment to healthier neighbors through the recognition included at your selected level.

Choose a year-round partnership or support one of our signature events:

- Spring Give: A spring fundraising event bringing supporters together to invest in accessible health care.
- Feast at the Market: A tasting tour of Pike Place Market restaurants that connects sponsors with local food lovers and community supporters while benefiting our Pike Place clinic.
- Community Connect: Four gatherings throughout the year where community members connect with health care teams, learn about important health topics and access helpful resources.

Event	Sponsorship	Investment	Web & Signage	Email	Flyers	Social Media	Verbal Thanks	Extras
